Revised 1978b

Sketch Map of the Site:

Indicate the chief topological features such as streams, swamps, shorelines, and elevations (approx.). Also, show buildings and roads. Indicate the site location by enclosing the site area with a dotted line. Use a scale (approx.) to indicate distance and dimensions.

0

Observations, Remarks, or Recommendations Scale: 1 inch: 2000 feet

The artifact assemblage excavated by the Historical Society and students from Mercer County Community College consists of minor amount of nondiagnostic prehistoric materials, Late 18th B Early 19th century Tavern materials and a large amount of stoneware waster materials from James Rhodes 1778-1784.
