## T. H. S. Girls Sports Nite

Although our health program is largely a physical one, it goes beyond the mere development of the body. There are exercises that are designed to promote health; in addition, there are dances and rhythmic to develop poise and grace. But above all, there is an enjoyable program of competitive sports sponsored chiefly to imbue the pupil with a love of games and the spirit of sportsmanship. Girls' Sports Nite is not merely a spectacular show; it is the culmination of the regular indoor physical education program, presenting in review every activity indulged in during the season.

A music box begins to play; the top is raised and sixteen powder puffs emerge and bestow upon her a beautiful gown. They turn the box around and a prince, who has been but a picture, becomes a reality.

The prince, captivated by her beauty, dances and shows her the mysteries of the shop, chief of which is a string of beautifully matched pearls and a collection of rare and priceless gems.

As in all good fairy tales, they live happily ever after.
