*T. H. S. Girls Sport Nite*

Although our health program is largely a physical one, it goes beyond the mere development of the body. There are exercises that are designed to promote health; in addition, there are dances and rhythmic to develop poise and grace. But above all, there is an enjoyable program of competitive sports sponsored chiefly to imbue the pupil with a love of games and the spirit of sportsmanship. Girls' Sports Nite is not merely a spectacular show; it is the culmination of the regular indoor physical education program, presenting in review every activity indulged in during the season.
