C. H. S. Girls' Sport Nite

Although our health program is largely a physical one, it goes beyond the mere development of the body. There are exercises that are designed to promote health; in addition, there are dances and rhythmic to develop poise and grace. But above all, there is an enjoyable program of competitive sports sponsored chiefly to imbue the pupil with a love of games and the spirit of sportsmanship. Girls' Sport Nite is not merely a spectacular show; it is the culmination of the regular indoor physical education program, presenting in review every activity participated in during the season.

The little woodland folk who are in a frenzy because the crown will not fit one of their members, spy the little girl. They find that the crown just fits her, so they decide to make her their queen. But when a family of skunks decide to attend the coronation, the others object and the ceremony is delayed. However the skunks are made welcome when the queen intercedes for them.
