J. H. S. Girls Sport Nite

Although our health program is largely a physical one, it goes beyond the mere development of the body. There are exercises that are designed to promote health; in addition, there are dances and rhythmic to develop poise and grace. But above all, there is an enjoyable program of competitive sports sponsored chiefly to imbue the pupil with a love of games and the spirit of sportsmanship. Girls' Sport Nite is not merely a spectacular show; it is the culmination of the regular indoor physical education program, presenting in review every activity participated in during the season.

Snow White and the seven dwarfs are dear to every lover of fantasy.

"Mirror, mirror, upon the wall, who is the fairest of us all?" We shudder at the thought of the wicked, jealous queen who casts out Snow White and later tries to kill her with a poisoned apple.

The friendly animals, who comfort Snow White, and the beloved dwarfs, who take her in to live with them, the prince, who awakens her from her poisoned sleep with a kiss, all make this a favorite "Ever after" story.
