Remember When

Chairman—Alma Walter

The sands of time sift through the hour glass back in time and space to the scene of the first annual Sport Nite which began during the depression year of 1934.

Sport Nite survived the war and post-war periods; it continued to grow in scope and popularity.

Today, the spirit of progress prevails as we celebrate Sport Nite's twenty-fifth birthday looking backward over the sands of time and forward to the future.

Chairman—Penny Territo

As Alice sits day dreaming on a warm summer day, her reverie is interrupted by the appearance of a white rabbit who seems to be in a great hurry. She follows the little fellow and after falling into a rabbit hole, they encounter a caterpillar and a group of "bread and butterflies" on the edge of a forest. Venturing still farther, Alice and the rabbit come upon a beautiful garden which is the setting for the Mad Hatters tea party.

Tweedle Dee and Tweedle Dum arrive for the festivities, but the party is interrupted by the arrival of the Queen's messengers who change the color of the flowers according to her Majesty's whim.

The fanfare of the cards, ushers in the Queen of Hearts, who challenges Alice to a croquet game. Alice's victory enrages the Queen, who furiously commands "off with her head". A mad chase follows but just as she is about to be captured, Alice awakens and finds herself back in the land of reality.
