## "THE SLEEPING BEAUTY"

It is Princess Aurora's sixteenth birthday party, and all the royal ladies and gentlemen of the court are in attendance. Adding to the pomp and pageantry of this affair is the arrival of the fairy godmothers with gifts for the young Princess. In the midst of the festivities the Wicked Fairy arrives bearing something which the Princess has never seen before — a spindle. In examining it, Aurora pricks her finger, and at her cry the four suitors rush to her aid. Now appears the Lilac Fairy who casts a spell of sleep over the whole scene.

Years later, a young Prince comes to the forest on a hunting expedition. Led by the Lilac Fairy, he enters the Palace where Princess Aurora is sleeping. He awakens her with a kiss and they may be presumed to live happily ever after.
